Last Meeting of the Season

May 3rd is the last meeting for this riding season. Unfortunately we had another disappointing season here in Southeastern Wisconsin. We can find the successes in all the accomplishments that were made through the efforts of many and the opportunities we have had to connect through the love of our winter sport.

Elections Continue

The election results from the March meeting have created a vacated position. Voting will take place at the May meeting to fill the position of Vice President. The current VP has been voted in as our new President. There is one year left on the term of this position. We have two candidates (Dave Douglas and Steve Piraino) who have accepted the nomination, and additional nominations can be made up until the time of the vote. If you are unable to attend the May meeting and would like to vote for a candidate, please send your absentee vote to Steve Shaffer at shaffers21@netscape.net.

Congratulations to the April election winners!
President - Craig Keys
Secretary - Robin Douglas
Trail Master - Returning Dan Rydeski
Board Member - Dave Dill

Snowmobiler of the Year - Robin Douglas

Many thanks to the outgoing officers Carter Shelton and Will Keys for your contributions during your terms.

Trail Master Update:

Thanks to everyone who contributed in the set up and take down of our trail system this past year. In addition, the trail brushing is an integral part of keeping our system clear of obstacles and debris. Through the efforts of many we received a check in the amount of \$1,184.00 in return for the grooming work that was completed as a result of the Kettle Moraine Riders.

Kettle Moraine Days...

Just around the corner!! Robin Douglas is looking for your participation to sign up for shifts to work our sausage booth. This is a fun opportunity to help our club stay fiscally sound. Please consider taking a shift or more to sell sandwiches at the fair. More info to follow..

Taking a poll to see who is interested in going to a Brewers game this summer. We have done this the past several summers. Of course some tailgating beforehand is a requirement. Please email me if you would like me to coordinate an outing. Generally August or early September works best. Don't delay in sending me your intent as if the season heats up, ticket availability gets tough... Yes, I'm being optimistic. Regardless of the teams standing, it's always a great outing... So,,,,, please email me if you are interested to kksledder@aol.com.
