Club Dinner

Great turn out for our annual club dinner. The food was great and the company even better. Great way to put a close to our season.

At the May meeting, the requirements to earn your free dinner were discussed. In the past we have considered working the chili event or Kettle Moraine Days as one earned credit. We have approved a change to this process. Now, you will earn credit for each and every time you come to help at any time. So for example, if you help to set up the chili event on Friday and then come back to work the food counter on Saturday, that will be two credits.

The requirement is for members to work at least two times to earn their dinner. The cycle for this starts in the spring with trail take down and ends with the chili brat event.

I hope this is clear for everyone, it is a great way to encourage participation and yet provide us an opportunity to have a great social outing as a result of our efforts. Always be sure to sign in at every work detail in order for you to get your credit. No signature no proof!!

Welcome New 2015 Members!!
