Meeting Reminder.

Hello KMR Sledgers!!

Can't believe it but our 1st meeting is coming up quick. Seems like summer just got here and now we are talking winter sports. September 1st will be our new year kick off meeting. It's always a jam packed meeting and everyone's input is always valuable.

Please try to attend.

When: September 1st, 2015

Where: Suhmers Saloon

Time: 7:30

Brewers Game Update

Date: August 29th, Brewers vs Cincinnati Reds - 6:10 pm start.

This event is going to be a bit different from the past couple of years. This year everyone is on their own to purchase tickets. If you would like to group together, have someone from your group coordinate your ticket buying.

We will however tailgate together. So, it is very important that you let me know if you are planning to attend so I can get a list together and we can establish a call tree to inform all event goers where we end up parking for the tailgating to take place.

I know many of you have already told me you were going, but as a note, that was to get a feel for the interest in the event. Now that we are closer to the date, anyone who is going please let me know and I will add you to the list with your cell # so you will know where the grill/party will be!!!! Don't delay.

Trail Master Update:

Nothing to report on the trails themselves. Stay tuned for all the new information on the trail passes soon to be required.

We have a new logo!!!!

Thanks to Brett Jungen and Dave Douglas for the time they spent working with the designer to get us this quality logo. It's awesome.

Welcome New 2015 Members!!

No new members to report..

KETTLE MORaine DAYS...

Thanks everyone who helped out at our annual event. Huge thanks to Robin Douglas for coordinating once again. Everything sold out!!! That is a bonus because that means we had no losses. Weather was good this year too. It's always a great time to re-connect with friends and neighbors in the community. After expenses this year's event profit is \$1,329.62 which includes \$300.00 in sponsorship money.
